**Program 10.05.2016:**

- 1100 – 1105 Professor Ragnar Nortvedt, MedViz, Bergen: Welcome by the Chairman
- 1105 – 1120 Professor Frits Thorsen, Molecular Imaging Centre, Dept. of Biomedicine, University of Bergen: Access to imaging research infrastructure through NORMOLIM and EuroBioImaging
- 1120 – 1135 Professor Asbjørn Mohr Drewes, MD, PhD, DMSc. Department of Gastroenterology, Aalborg University Hospital: Translational imaging and gastrointestinal research
- 1135 – 1150 Professor Odd Helge Gilja, Section for Gastroenterology, Department of Medicine, Haukeland University Hospital, Bergen: The MedViz concept – From Vision to Decision
- 1150 – 1230 Lunch
- 1230 – 1245 Professor Jens Brøndum Frøkjær, MD, PhD. Department of Radiology, Aalborg University Hospital: From Decision to Imaging Projects – experiences from a new Imaging Research Unit
- 1245 – 1300 Professor Arvid Lundervold, Department of Biomedicine, University of Bergen: Computational medicine in an innovative perspective
- 1300 – 1315 Professor Ingfrid Haldorsen, Department of Radiology, Haukeland University Hospital, Bergen: Imaging biomarkers in endometrial cancer
- BREAK
- 1330 – 1345 PhD student at Linköping University and CEO, Vistinct AB, Daniel Jönsson: Visualization of 3D/4D medical data in research and practice
- 1345 – 1400 Professor Helwig Hauser, Department of Informatics, University of Bergen: Modern Visualization and Visual Analytics of Medical Data
- 1400 – 1500 Open discussion about the impact of Nordic Imaging and Visualization in Future Medicine and Health Care, by Professor Ragnar Nortvedt
