

FROM VISION TO DECISION

## MedViz image contest 2016

MedViz wishes to use scientific pictures to profile our activity. This is because all our activities are based on images, image information and its utilization for improved diagnoses resulting in better patient treatment. Previously awarded images are shown below.

Sergej Stoppel and Erlend Hodneland

MedViz has established a committee which will evaluate the received pictures, from which the three best pieces will be awarded a personal reward of 1.000 NOK and a free picture of the artwork. Please, send pictures and illustrations in the highest resolution with a short background information to

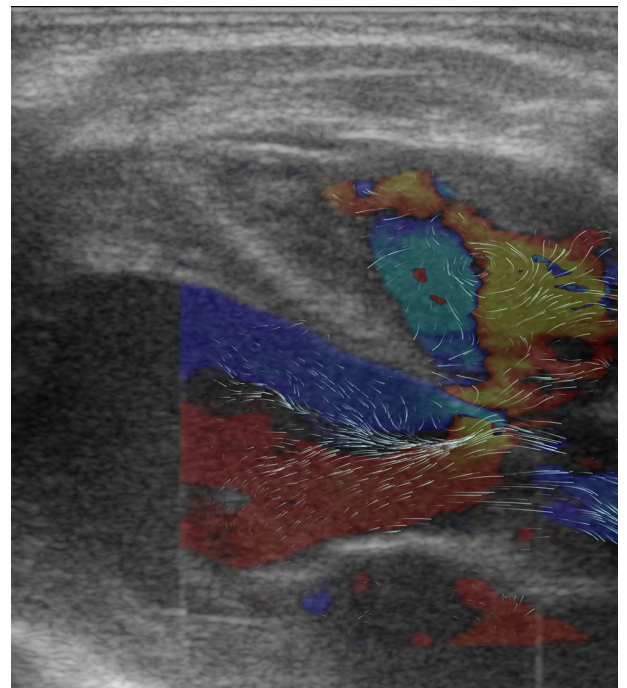

[erlend.hodneland@gmail.com](mailto:erlend.hodneland@gmail.com)

By submitting your pictures you hereby give MedViz the rights of use for profiling purposes, with a clear reference to the originator.

**Deadline: 1st of September 2016**
